

Do you need to brush up on your Luther history a little? After all, we are members of the Evangelical LUTHERan Church in America ...

You could spend an entire month "googling" all the Martin Luther sites on the internet. Remember, googling "Martin Luther" (the German reformer) will often result in going to sites about "Martin Luther King, Jr" (the civil rights leader in the United States of America) ... after all, each of them greatly affected world history!
